Goals

From 11 years of academic and personal studies, I have learned how to create illustrations that communicate to a diverse audience. From my learnings I offer to create a world of imagination that meets reality. Allow me to transform your ideas into visual concepts.

Experience

Corporate

- Graphic Design Intern at Arthur Elliot Marketing Group

Freelance Illustration

- Developed characters from concept sketches to final rendering
- Constructed portrait paintings with traditional methods in oils, acrylics and watercolor paints
- Developed digital based painting tutorials to educate viewers on how to use painting programs:
 - Photoshop photo editing
 - Paint Tool Sai digital painting

Skills

Illustration

- Adept at drawing human facial anatomy
- Proficient in creating quality illustrations from conception to finished artwork
- Competent in editorial, product, fashion, and advertising illustrations
- Confident in using various mediums and developing techniques for mixing mediums

Graphic Design

- Designed personal website using HTML, Bootstrap, & CSS
- Well trained in using InDesign's Paragraph, Character, and Object Styles
- Implemented creative and imaginative uses of space, shapes, value, texture, color, and typography to provide effective solutions to advertising and graphic design problems
- Learned expressive uses of typography, image, and organization to communicate a message

Education

Advertising and Graphic Design 2018
